A brief on our philosophy at SKY

"Sky was never just a Trading and Contracting Business. It's something much bigger, it is a **family**, with a strong philosophy that is ingrained in our team from the day we started in the year 2000.

This management methodology remains to guide us today in the way we build reliably, make deals, create fruitful business relationships, and ultimately, it's an idea that will continue to define the future.

These philosophies are what got us here, and will get us there."

ّلم تكن شركة **سكاي مطلقًا**, مجرد **شركة تجارة ومقاولات** وإنما هي **أسرة واحدة** يجمع أفرادها إيمان راسخ بفلسفة قوية متأصلة في نفوس فريقنا منذ اليوم الذي بدأنا فيه في **عام ٢٠٠٠.**

وما نزال نسير على هدي هذه المنهجية في الإدارة حتى يومنا هذا في الطريقة التي نبني بها بجدارة, ونعقد الصفقات, ونقيم علاقات عمل مثمرة مع العملاء, وفي نهاية المطاف هي فكرة ترسم المستقبل.

هذه الفلسفات هي التي قادتنا إلى المكانة التي نَتَبَوَّأُها اليوم, وسوف تقودنا نحو مكانة أفضل في الغد"

A GENUINE WORD FROM OUR FOUNDER;

SKY for Trading and Contracting is a

huge multi-disciplinary engineering and management engine that transforms regular ideas and everyday concepts into innovative creations that ensure that our clients are satisfied and leave a proper mark on the world.

Our designs and structures are forged with cutting-edge technology and best practices that ensure that your project looks distinctive, and is structurally reliable.

At Sky for Trading and Contracting, quality is our leading metric;

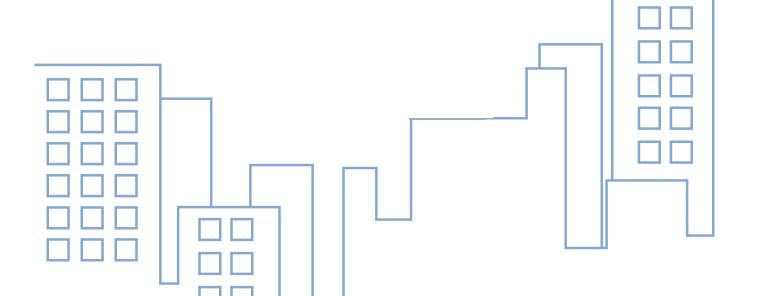

We're lean and mean, we want to save you money, without costing you in quality. That's why we encourage our team to apply value engineering frameworks to their workflow.

This promotes the substitution of materials and methods with less expensive alternatives, without sacrificing functionality or quality.

High Quality; delivered right on the clock, Every time.

We have the skills, resources, expertise, and most importantly, the ability to accomplish projects to the highest standards.

At SKY, we've found the perfect managerial balance to Deliver the Best Quality, On Time, without costing you too much.

ABOUT US **OUR STORY**

Since its establishment in 2000, **Sky for Trading and Contracting** started as an **authorized dealer** for **MIRACO CARRIER**.

From then on, SKY was built on 4 pillars that are deeply rooted in our management philosophy.

Our Employees come front and center.

We believe that a healthy and satisfied team inevitably leads to great quality work. We've fostered a unique combination of an open relationship with our employees based on mutual trust, transparency, accountability, and discipline.

Our reputation is forged, not told.

Your project is one of a kind, so are your needs.

Our employees are encouraged to constantly seek new construction innovations and technologies that provide our clients with predictable, reliable, and collaborative services. Starting from our first interaction with clients all the way through project closeout, Sky for Trading and Contracting is all about delivering value and eliminating waste during the construction process

Our Quality doesn't just stem from our high standards of service, it comes from our fast delivery times.

What separates us from the competition is our ability to effectively align and elevate our practices to meet the specific needs of every client. The outcome is a project experience that cannot be duplicated.

Dedicated to excellence and reliability, we utilize sustainable, innovative building contraction, maintenance, and renovation skills to change and improve the way projects are designed, managed, and built.

We care.

At SKY, every one of our team members is individually invested in shaping every facet of this industry. And we train them to do it, internally and externally.

This culture has allowed our team to come up with creative and out-of-the-box solutions to overcome every unique challenge that comes their way.

We live by these **4 pillars** to this day and **thousands of happy clients** later, we've worked on projects **all over Egypt**, offering fully-integrated engineering services.

We're proud to uphold the responsibility of taking a **leading role** in the trading and contracting sector providing engineering services with an uncompromised commitment to **quality, health, safety, and the environment.**

2000

قصتنا

منذ تأسيس سكاي للتجارة والمقاولات في عام ٢٠٠٠, بدأت الشركة وكيلًا معتمدًا لشركة «ميراكو كاريير». ومن وقتها, تأسست شركة سكاي على أربعة أسس ثابتة في بناء فلسفتنا الإدارية.

شعار شركتنا «الموظف أولًا».

تكتسب علاقتنا المنفتحة بموظفينا تميُّزها وقوتها من مزيج فريد يجمع بين الثقة المتبادلة والمصداقية وتحمل المسؤولية والانضباط. لدينا إيمان بأن أفراد فريق العمل الذين تربطهم علاقات جيدة ويشعرون بالرضا, لا بد أن تكون نتيجة أعمالهم عملًا عالى الجودة.

سمعتنا نصنعها بالأفعال لا بالأقوال.

مشروعك مميز, وكذلك احتياجاتك.

نشجع موظفينا دون تعب على البحث عن ابتكارات وتكنولوجيا جديدة في مجال الإنشاءات توفر لعملائنا خدمات جديرة بالثقة ومضمونة وتعاونية.

منذ اللحظة الأولى لتعاملنا مع العملاء وحتى لحظة الانتهاء من المشروع, تضع شركة سكاي للتجارة والمقاولات أمام أعينها تحقيق القيمة دون تفريط أثناء عملية الإنشاء.

جودتك ووقتك.

نجمنا الساطع.

نحن نختلف عن الآخرين ولا يمكن لأحد منافستنا بفضل قدرتنا على مواءمة ممارساتنا والارتقاء بها بما يلبي احتياجات كل عميل. والنتيجة تجربة فريدة من نوعها تمارسها عند تنفيذ مشروعك.

نبذل أقصى جهدنا في تحقيق التميُّز ونيل ثقة العملاء معتمدين في ذلك على مهارات مستدامة ومبتكرة في مقاولات البناء والصيانة والترميم من أجل تغيير وتحسين طريقة تصميم المشاريع وإدارتها وبنائها.

نحن نهتم.

نحن ملتزمون برسم مستقبل صناعتنا, ولذلك نوفر بانتظام تدريبات خارجية وتدريبات داخلية على أنشطتنا التجارية. يرجع نجاح شركة سكاي للتجارة والمقاولات على مر السنين إلى إخلاص موظفيها في أداء العمل على أكمل وجه, وتوفير خدمة عملاء تفوق التوقعات, وتطبيق برنامج سلامة حقق إنجاز ملايين الساعات في العمل دون وقوع أي حوادث.

هذه **الأسس الأربعة** هي عماد حياتنا نحن وآلاف العملاء السعداء حتى يومنا هذا, ولقد نفذنا مشاريع في جميع أنحاء مصر ووفرنا من خلالها خدمات هندسية متكاملة.

نفخر بتحمل مسؤولية أداء دور مؤثر في قطاع التجارة والمقاولات, بتقديم خدمات هندسية تلتزم التزامًا قويًّا بأعلى معايير الجودة والصحة والسلامة والبيئة.
